

## IT Technician

### Penk Valley Academy Trust

This is a fantastic opportunity for an IT technician to join our growing Academy Trust within South Staffordshire. Using your initiative and flexible approach you will help support over 1800 students and 150 staff members across six schools.

This includes one high school

- Wolgarston High

One middle school

- Penkridge Middle

And four First schools

- Marshbrook
- Princefield
- St John's (Bishopswood)
- St Paul's (Coven)

All these schools are within a 15 minute (or less) drive from each other.

Your working week will be split between your dedicated base of Penkridge Middle School and supporting visits to the remaining 5 schools as required and discussed with the Senior Technician.

The position is Term Time only, 37 Hours per week with 10 days' additional work within selected school holidays. This will be decided between yourself and the Senior Technician as to when support is needed for development out of school time.

**Due to the nature of the job role a site visit is highly recommended for you to gain a valuable insight into an ordinary working day.**

*The visits will take place on Monday 02 July and Tuesday 03 July. To book your visit please email [A-Cartwright@penkvalley.co.uk](mailto:A-Cartwright@penkvalley.co.uk) with your day preference.*

To find out more regarding the Academy Trust please do not hesitate to visit our website at [www.penkvalley.co.uk](http://www.penkvalley.co.uk)

Completed application forms should be returned to Adam Cartwright (Senior Technician) via email [a-cartwright@penkvalley.co.uk](mailto:a-cartwright@penkvalley.co.uk) or by post to the school address.
